

SPEKTRA

Ready for TESTelligence!

RELEASE NOTE

HERO™ Firmware

[v3.1.0.0]

Release Note

HERO™ Firmware [v3.1.0.0]

1. New Features

- CCB 15: Basic support for the DTI 15 module (#17034)

2. Fixed Bugs

- CCB 15: Missing PR 15 error messages for better CMD error traceability (#6562/#17609)
- CCB 15: Extremely long PR 15 I2C communication timeout due to internal blocking in conjunction with too many connection retries. (#6562/#17609)
